

**MAY 26th / 27th 2017**

Every last Saturday in May

The vision of the Global Outreach Day is to mobilise Christians in over 193 nations to bring the Gospel to everyone, everywhere — whether on the streets, to the neighbours...

This can't be achieved by a single person or by a single organisation, but only through the whole global Body of Christ.

**Who?** Every believer | Every church | Every ministry | And YOU

**How?** Using the most effective way — according to your gifts, your region and your opportunities — to reach people with the Gospel.

As preparation, we encourage pastors and leaders to pray and to train their church how to share the Gospel. On our website, you find helpful training material. On May 27th, you can offer different outreaches and also work together with other churches. On Sunday May 28th, you could give every church member after service one (or more) Gospel tract as a help to reach at least one person. After the G.O.D., keep on doing outreaches together every week or month.

Be a part of this worldwide evangelistic outreach!

Werner Nachtigal, International President

# GLOBAL OUTREACH DAY

One day | One world | One message

# JESUS

**May 27  
2017**

**PRAYER** May 26

MILLIONS UNITE  
IN PRAYER

We are calling every Christian  
in every church to pray for their  
area and then go out and reach  
the lost for Jesus Christ

**OUTREACH** May 27

MILLIONS GO OUT AND  
SHARE THE GOOD NEWS

**EVERYONE CAN REACH SOMEONE —  
TOGETHER WE CAN REACH THE WORLD**

"This is the greatest wave  
of evangelism" Charisma

**GLOBAL  
OUTREACH DAY**

*It's my mission!*

**[www.GlobalOutreachDay.com](http://www.GlobalOutreachDay.com)**

**5 YEARS G.O.D.**  
**5.8 million salvations**  
**135 million gospel tracts**  
**145+ nations**  
**6.8 million booklets**

Millions of Christians shared the Gospel  
for the first time in their lives and  
continue doing so since that  
Global Outreach Day.

# On Global Outreach Day The whole church is going — to a lost world!

93% of the church members never share the Gospel with others.

The Global Outreach Day is a catalyst to mobilise the whole church for evangelism. For many Christians this day can be the first step to a lifestyle of evangelism.

## It's your harvest!

The purpose of the Global Outreach Day (G.O.D.) is that every Christian becomes a witness and reaches others with the Gospel, integrating new believers into the church.

## It's easy!

Every Christian can be part of it. We all are called to testify and have something to give. And everyone can share about God in his own way. It just needs the willingness to go.

## It's an important beginning!

About 93% of church members do not share the Gospel regularly. The Global Outreach Day could be the beginning of an evangelistic lifestyle for many believers; to share about Jesus every day, week or month.

## Develop your ideas

You probably already have an idea of how to share the Gospel on this day. Here are some practical suggestions, what you could do:

One of the 2 million people been saved in 2015 through Global Outreach Day.

- **One on One** — Invite someone over for a cup of coffee and tell him about Jesus.
- **In small groups** — Meet in your church and split up into small teams. Then go to reach the people where they are — on the streets, in the market places, parks, etc.
- **Care and share** — Do something good for the needy in hospitals, prisons, nursing homes, children's homes etc. and share the Good News with them.
- **Reach your area** — Visit home to home. Share in public transportation, working in unity with other churches.
- **More ideas** — concerts, open-air meetings, use flash mob, banners, share tracts, post on Facebook about Jesus, etc.

## Important Dates

**On a previous Sunday:** Cast the vision and train your church.

**Friday, May 26<sup>th</sup> 2017:** Unite with others to pray for world evangelisation.

**Saturday, May 27<sup>th</sup> 2017:** Individual and joint outreaches to share the Gospel to help each Christian reach at least one person in some way.

**Afterwards:** Continue with weekly or monthly outreaches, while applying the 'outreaching culture' leadership habits in your church — so every member is equipped.

# Through a culture-changing strategy for pastors — Every member is becoming equipped to reach others

A primary responsibility of all church leaders is to ensure that the mission of the Church is authentically the mission of their local church.

## Where programmes haven't helped, new thinking can

Thinking leads to behaviour, and behaviour leads to results. Evangelism is weak in many churches. To fix this, many churches look for a new programme to change behaviour — when what is really needed is a change in thinking. You can't fix a paradigm problem with a programme solution. A new approach is needed!

## A simple approach to building a sustainable outreaching culture

The 'Outreaching Culture' strategy for pastors outlines 6 leadership principles, applied through four leadership habits. These habits sit within what most pastors/church leaders already do on a weekly basis — so require no extra work. This is about changing things by becoming more intentional in what we already do! (Please see the diagram and webpage).

**Outreaching CULTURE**  
A Leadership Strategy
